

First Announcement and Call for Abstracts

The **Canadian Land Reclamation Association (CLRA)**, the **Ontario Stone, Sand & Gravel Association (OSSGA)** and the **Ontario Mining Association (OMA)** are pleased to announce the

ONTARIO LAND RECLAMATION AND REHABILITATION SYMPOSIUM AND FIELD TRIP

June 27-28, 2017

University of Guelph, Guelph, Ontario

This year we present the opportunity for the mining and aggregate sectors to come together to compare rehabilitation techniques and innovations and help expand our knowledge and networking base.

SYMPOSIUM (Tuesday June 27)

The Symposium will showcase one day of technical presentations and posters, in addition to reclamation and student award presentations. As the birthplace of the CLRA in 1975, with excellent examples of rehabilitation close to campus, the University of Guelph is the ideal location for the 2017 Symposium.

FIELD TRIP (Wednesday June 28)

Local field trips will highlight successes in research and rehabilitation in the mining and aggregate sectors.

SPONSORS

In an effort to keep costs low, the organizing committee is also seeking sponsorships. Your logo will be prominently displayed and your company fully acknowledged at the event. Please call our Treasurer Peter White to discuss sponsorship opportunities including sponsorship of events (1-416-236-8208).

CALL FOR ABSTRACTS

Please contact Bryan Tisch or Ashlee Zelek if you are interested in presenting (including posters) or wish to submit presentation ideas. Abstracts are encouraged on a variety of topics, including but not limited to the reclamation and rehabilitation of mining, aggregate and brownfield sites. Please note that a paper is not required and presentations will be published as the Symposium Proceedings. Please include your name and complete contact information including address, phone and email address. The deadline for submission is **April 10, 2017**.

STUDENT AWARDS

We will be presenting student awards for excellent oral and poster presentations. Please indicate with your Abstract submission if you would like to participate.

TOM PETERS MINE RECLAMATION AWARDS

Nominations for both the industry and student bursary awards are being sought. For details about the awards and to submit your nomination, please visit the Ontario Chapter page of the Canadian Land Reclamation Association website: <http://www.clra.ca/default.aspx?page=17>. This award was named after Tom Peters, a founding member of the CLRA and alumnus of the University of Guelph.
